

damselflies of texas a field guide john c abbott

Sun, 25 Nov 2018 00:51:00 GMT damselflies of texas a field pdf - There are now many odonate field guides available for North America. Two of these really set the bar high and provided me with inspiration. Ed Lamâ€™s Damselflies of the Northeast made damselfly field identification attainable for many. His beautiful illustrations and creative layout set a new standard for the odonate community.
