Description : In Facilitating Evaluation, Michael Quinn Patton recounts stories of his experiences as an evaluation facilitator. Evaluation facilitation applies and adapts general facilitation knowledge and techniques to the specialized challenges of

working with stakeholder groups involved in program evaluation. Facilitating Evaluation | Download eBook PDF/EPUB - To begin, the Aging in Place Toolkit examines the impact of aging in place strategies on the individual and on the community. The toolkit explores why aging in place is an important and cost-effective strategy for a growing older adult population. It defines the five guiding principles to aging in place initiatives and offers a set of examples. Aging in Place - AARP -
