These documents may change without notice; this website will always contain the most current version. Sat, 08 Dec 2018 13:50:00 GMT United States (English) - Boston Scientific- US - Combat medic or field medic is a US term for military personnel who have been trained to at least an EMT-B level (16-week

course in the U.S. Army), and are responsible for providing first aid and frontline trauma care on the battlefield. They are also responsible for providing continuous medical care in the absence of a readily available physician, including care for disease and battle injuries. Combat medic - Wikipedia - The examples and perspective in this article deal primarily with the United States and do not represent a worldwide view of the subject. You may improve this article, discuss the issue on the talk page, or create a new article, as appropriate.
